

Governor Quinn's Mortgage Relief Project to Kick-Off Money Smart Week in Chicago

Making informed decisions about your hard-earned dollars is what *Money Smart Week* is all about.

But, for many people, the past few years have challenged even the most disciplined and frugal Illinois homeowners. Lower wages and record unemployment have taken a toll on the American Dream of owning a home.

Governor Pat Quinn has established the ***Mortgage Relief Project*** to help you take advantage of State and Federal government programs that can help you lower your mortgage payments, avoid foreclosure and keep your home. Learn more at your local ***Mortgage Relief Project*** outreach event.

Free housing counseling is available at ***Mortgage Relief Project*** outreach events, and some major loan servicers will be on site to help their customers with their loans. We will also teach you to recognize the tell-tale signs of mortgage fraud.

Be sure to bring your latest mortgage documents (bills, statements, notices, etc.), two most recent paystubs, and your state ID or driver's license. For a list of all the documents that you would need to complete a full application for a loan modification, go to www.idfpr.com.

To make an appointment with a counselor or for more ***Mortgage Relief Project*** information, call toll-free at (800) 532-8785 or visit www.idfpr.com.
