

Senior Accountant/Systems

Illinois Housing Development Authority (IHDA), one of the Nation's preeminent Housing Finance Agencies and one of the State's ten largest financial institutions, is currently seeking a Senior Accountant to build upon their 50+ year leadership in housing finance.

The Senior Accountant designs, develops, maintains and enhances computerized accounting/finance related systems. Ensures that financial modules are working effectively and efficiently and that proper security is in place. Works on accounting related projects as assigned.

Education and Experience requirements:

- Bachelor's Degree in Accounting or related field along with an aptitude for systems and financial applications. Degree or experience in Computer Science or Information Technology is a plus.
- Minimum of three to five years of experience in accounting.
- Expert knowledge of JD Edwards Enterprise system or comparable ERP system required.
- Understanding of account reconciliations, general ledger processing, financial statements and financial reports.
- Proficient and knowledgeable of various accounting systems and applications is a plus.
- Ability to communicate effectively with strong oral and written communication skills.
- Ability to work independently and meet time-sensitive deadlines.
- Advanced proficiency in MS Office Suite, especially Excel.
- Strong analytical and problem resolution skills required.
- Detail oriented with the ability to multitask and be a team player.
- Willingness to work outside of normal business hours during monthly, quarterly and annual close to meet deadlines.

Excellent benefits package, including 401 (k); immediate vesting.
