B. General Information

These Guidelines set forth the policies and procedures applicable to the issuance of Bonds under the Authority’s Conduit Bond Program. All parties to a Bond transaction (and their counsel) should review these Guidelines carefully. Each section of these Guidelines contains requirements and procedures applicable to financing a Development under the Authority’s Conduit Bond Program. Please note that Exhibits A through F to these Guidelines set forth certain standard provisions that must appear in the Loan and Bond documents for each financing. Parties should contact the Authority’s General Counsel with any questions concerning the matters discussed herein.

The Authority is a body politic and corporate of the State of Illinois created in 1967 by the Act for the purpose of assisting in the financing and development of decent, safe and sanitary housing for persons and families of low and moderate income within the State. The Act also authorizes the Authority to issue Bonds to fulfill its corporate purposes, including the financing of mortgage and construction loans and the refunding of Bonds and notes previously issued to finance mortgage and construction loans. Developers may apply to the Authority for other funding sources, including various types of tax credits.

Contact information for the Authority is as follows:

C. Applicability and Change

In establishing these Guidelines, the Authority has attempted to evaluate and balance its obligations as a conduit issuer, the needs of Borrowers, the concerns and interests of regulators and the demands of the market. The Authority’s purpose in issuing these Guidelines is to provide Borrowers with an outline of the various requirements and policies of the Authority’s Conduit Bond Program.
These Guidelines reflect the current policies of the Authority and, like any policy, are subject to modification, revision and amendment at the sole discretion of the Authority. The Authority reserves the right to require additional requirements in order to implement the policies of the Authority.

SECTION II.

AUTHORITY REQUIREMENTS

A. Preface

The Authority acts as a “conduit issuer” in some of its Bond financings. As a conduit issuer, the Authority issues Bonds for the benefit of Borrowers. Normally, these Bonds are not general or moral obligations of the Authority or the State, rather the payment obligation remains with the conduit Borrower. In many instances, the conduit Borrower procures the added security of credit enhancement (e.g., a letter of credit, guaranty or insurance). In this type of transaction, Bond holders rely on the financial strength of the credit enhancement entity to secure repayment. These Guidelines address the Authority’s requirements assuming this typical structure. There may, of course, be variations in the way a transaction is structured that require different or additional documents and/or procedures than those set forth herein. These Guidelines are a general guide to the process of a conduit bond financing at the Authority. The details of any given financing may vary.

In addition, these Guidelines are not intended to address the various requirements of Bond Counsel or Underwriter’s Counsel. While in some cases, such as the public notice requirements, the requirements of Bond Counsel and the Authority may coincide, these Guidelines are not intended to act as a guide for all the requirements of a conduit transaction.

Finally, these Guidelines do not address requirements under other Authority programs. If a Borrower intends to avail itself of other sources of financing or tax credit equity, it must consult the appropriate guidelines and requirements for those programs. In particular, if a Borrower intends to pursue a tax exempt financing utilizing low income housing tax credits, it should consult the Authority’s QAP and/or the Multifamily Financing Department. These Guidelines do not address the requirements of the Authority’s tax credit program.

B. General Overview

In general, Underwriter’s Counsel will prepare the Official Statement, other underwriting materials and any Remarketing Agreement. For private placements, Bond Counsel may prepare the Placement Memorandum. The credit enhancer’s counsel will prepare the letter of credit or other credit enhancement and related security materials, and Bond Counsel will prepare all other materials.

With slight variations, a conduit bond issue will consist of the following:

1. Application submitted to the Authority, consisting of:
   a) a signed application form, including a request for 4% tax credits, if applicable;
   b) a non-refundable application fee*; and
   c) all other applicable requirements under the QAP found on the Authority’s website, www.ihda.org.

2. Authority staff reviews the application materials and, if requested and approved by the Authority’s loan committee, may present an Inducement Resolution to the Authority Board.
3. Authority staff completes its review of the Development, which may include a site visit, and prepares a project summary for presentation to the Authority’s loan committee.

4. If approved by the loan committee, and if all other required submissions are made, the Development will be recommended to the Authority Board for approval. (The recommendation will be via a Bond Resolution and a Loan Resolution.)

5. A Bond Resolution will be drafted by Bond Counsel and a good faith deposit will be collected from the Borrower.* The Loan Resolution will be drafted by the Authority. Underwriter’s Counsel will draft its documents.

6. Publication of the public hearing notice.

7. Issuer’s Counsel reviews bond and closing documents and exhibits, including documents from Underwriter’s Counsel and the credit enhancer, if any.

8. Public hearing held.

9. The Authority Board votes on the Loan Resolution and the Bond Resolution, the exhibits to the Bond Resolution, and the participants in the transaction, including, but not limited to, the credit enhancer and the equity provider.

10. Authority staff works with the Borrower to confirm that all aspects of the financing incident to closing are in place.

11. Authority submits a request to the Governor’s office for the Bond issuance approval letter.

12. Preliminary Official Statement or preliminary Placement Memorandum is issued, Bonds are priced and final par amount is set.

13. Final Official Statement or final Placement Memorandum is issued.

15. Confirmation of issuance to Governor’s office. This confirmation of issuance will be part of the closing package.

16. Receipt of closing binder or electronic transcript.

17. Post-closing monitoring.

*The Authority’s current fee schedule, including any required deposits, may be obtained by visiting its website at www.ihda.org.

C. Bond Volume Cap Allocation

The Authority may allocate tax-exempt bond volume cap to its bond issuances. If the Borrower would like the Authority to allocate bond volume cap, a request for volume cap should be made simultaneously with the submission of the Borrower’s application to the Authority. All such requests should be submitted to the Authority, not the Governor’s office.

If a Borrower has secured volume cap from another source (i.e., a unit of local government) that is to be ceded or allocated to the Authority for the Borrower’s project, the Authority must receive the duly adopted resolution(s), the request letters sent to the Governor’s office and any confirmation letters from the Governor’s office prior to the Board presentation. The Authority Board will not consider a financing prior to its receipt of these documents.

D. Authority Requirements

Certain requirements for conduit bond financings as set forth in the Act, the Authority’s Rules*, and the Code are summarized below.

*The Rules may be obtained by visiting the Authority’s website at http://www.ihda.org/government/docs/RulesandRegs/47-310_Multifamily_rental_Housing_Mortgage_Loan_Program.pdf
1. Required Submissions

In general, the application review process for an issuance under the Conduit Bond Program is much abbreviated compared to other Authority bond issues. However, certain requirements of the Act apply to all Borrowers regardless of the ultimate source of a Loan’s funding. Accordingly, the following actions must be completed and/or documents submitted to the Authority as part of the review process prior to the time a Bond Resolution is recommended to the Authority Board.

i. Notice to Public Officials

When the Authority accepts an application for a Loan for a proposed Development, the Authority will provide written notice of the proposed Development to the following persons and agencies: (i) the chairman of the county board in which the proposed Development will be located, (ii) the mayor or other chief executive of the municipality, if any, in which the proposed Development will be located, (iii) in municipalities with a population of 1,500,000 or more, the alderman of the ward in which the proposed Development will be located, (iv) appropriate Clearinghouses, and (v) the members of the General Assembly in the legislative district in which the proposed Development will be located. The notice will include the name, address and telephone number of the Borrower, the name and address of the proposed Development, the estimated amount of the Loan, the type of any subsidies, the total number of units and subsidized units, the type of Development, and any other information the Authority deems relevant.

The individuals notified have 30 days to respond, and the Borrower must respond in writing to all comments received. The Borrower must submit to the Authority all comments, responses, a history of any conferences, hearings or other action taken in connection with the comments, a summary of what the Borrower has done in response, and a certification that the information provided to the Authority is accurate.

ii. Appraisal

The Authority requires delivery of an appraisal, in form and by an appraiser satisfactory to the Authority, with the application.

iii. Tenant Selection Plan

The Borrower must submit a Tenant Selection Plan to the Authority for approval before the Bond closing. This plan lists the number of income-restricted units and must give preference to individuals and families displaced by urban renewal, government action or natural disaster. A form of the Authority’s Tenant Selection Plan is available on the Authority’s website.

iv. Energy Efficiency Certification

The Authority must certify that the proposed Development meets the Authority’s energy efficiency standards, which can be found in the Authority’s Architectural and Construction Guidelines (http://www.ihda.org/developer/forms.htm#referenceDocuments). Accordingly, the Borrower must provide a certification that all plans and specifications meet the Authority’s energy efficiency standards, before the Authority can make a commitment.

v. Compliance with State and Federal Laws
The design, construction, maintenance and occupancy of the Development must comply with all state and federal laws, including all anti-discrimination laws. Accordingly, the Borrower must provide a certification that the Development complies, or when constructed will comply, with all state and federal laws, including anti-discrimination laws, before the Authority can make a commitment. In addition, the Borrower must comply with the Illinois Prevailing Wage Act. For further information regarding additional requirements, please see Exhibit C, Loan Agreement Rider.

vi. Documentation Supporting Ceding or Allocation of Bond Volume Cap, if Applicable

If applicable, the Borrower should submit prior to Authority Board approval all documents in connection with the ceding or allocation of bond cap, including all relevant resolutions from the ceding or allocating entities and notifications to the Governor’s office, as described in Section II.C above. Failure to receive these documents may delay an approval of the Development by the Authority Board. Borrowers should consult with the Authority’s General Counsel about the content of the ceding resolution before it is adopted by the ceding entity so as to include all language required by the Authority. All documents in connection with the ceding or allocation of bond cap will be reviewed by the Authority.

2. Loan Requirements

i. Loan by the Authority

The transaction must be structured so that the Authority will make a Loan to the Borrower, which is sufficient to repay the Bonds, and then assign it to the appropriate entity as security for repayment of the Bonds.

ii. Limited Profit Entity

The Borrower must be either a non-profit corporation or a limited profit entity and the entity may have a restricted return on its equity in the Development. These restrictions are typically contained within the Authority Regulatory Agreement; see Exhibit D. The Borrower may be required to provide a certification to the Authority regarding surplus cash and allowable distributions, the form of which is attached to these Guidelines as Exhibit H.

iii. Loan Amount and Term

The maximum Loan amount available from the Authority is 90% of the cost of the Development as determined by the Authority, and the maximum term of a Loan is 65 years.

3. Operating Requirements

The Authority will require that a regulatory agreement be entered into by the Authority and the Borrower and recorded against the Development. A form of the Authority’s Regulatory Agreement is attached to these Guidelines as Exhibit D. This agreement is in addition to the Tax Regulatory Agreement prepared by Bond Counsel, if any, and will include, among other things, the following Authority requirements:

i. Occupancy Requirements
The Act requires that, prior to initial occupancy, the Authority set the number of low-income units and the rent to be charged. This will be set forth in the Authority’s Regulatory Agreement for the Development and will require verification by tenant income certifications submitted to the Authority or the trustee under the Indenture entered into in connection with the issuance of the Bonds.

For a tax exempt issue, the Development must additionally satisfy the minimum occupancy requirements set by federal law: either 20% of the units must be rented to tenants whose incomes are 50% of area median income or lower, or 40% of the units must be rented to tenants whose incomes are 60% of area median income or lower. The Authority uses the income limits established by HUD for the area median income adjusted for family size.

ii. **Annual Financial Report**

The Borrower must provide the Authority with an annual financial report for the Development, and such other reports and tax returns as may be required by law.

iii. **Development Books and Records**

The books and records of the Development must be available for inspection and audit by the Authority at all times.

**SECTION III.**

**MECHANICS OF AUTHORITY BOND FINANCING**

A. **Application Process**

1. **The Application**

The Bond issuance process commences when a Borrower files a complete application with the Authority. Applications and instructions for completing and filing them can be downloaded from the Authority’s website ([www.ihda.org](http://www.ihda.org)) or can be secured by contacting the Authority’s Multifamily Financing Department at 312-836-5200.

2. **Authority Fees**

The Authority’s current fee schedule can be obtained by visiting the Authority’s website listed above or by contacting the Authority’s Multifamily Financing Department at the number listed above. Please note that the fee schedule is subject to change. Upon submission of an application, the Borrower must pay a nonrefundable application fee. In addition, the Authority requires a good faith deposit before a Development will be presented to the Authority Board. This good faith deposit will be credited against the Borrower’s costs at closing. Fee and deposit requirements can be found on the Authority’s website ([www.ihda.org](http://www.ihda.org)) under Multifamily Developer.

The Authority’s origination fee and Issuer’s Counsel’s fee are payable at the Bond closing. If a Development approved by the Authority Board does not close, the Borrower will not be required to pay the Authority’s closing fee. In that event, however, the Borrower will be required to pay all costs associated with the Authority’s work on the Development including any costs associated with the retention of outside professionals.
3. Application Review

After receiving a completed application and a nonrefundable application fee, Authority staff will review the proposed Development and financing. As part of its review, Authority staff may request additional information from the Borrower and/or permission for a site visit. After receiving a completed application, a non-refundable application fee and any additional information requested, the Authority staff will make a recommendation to the Authority Board.

As previously discussed, before a Development is recommended to the Authority Board for approval, the Borrower must complete the applicable requirements under the QAP and the Authority’s general application, both of which may be found on the Authority’s website, www.ihda.org/.

As a general rule, the Authority Board meets the third Friday of every month. Any change to a meeting date will be provided in accordance with the Illinois Open Meetings Act [5 ILCS 120].

B. Attorney and Underwriter Selection

In a conduit bond financing, it is the current policy of the Authority to select Bond Counsel from an approved list. A Borrower may choose its underwriter and the underwriter may choose its Underwriter’s Counsel, subject to the requirement that the parties chosen are duly qualified and recognized professionals in their field. Notwithstanding, the Authority will make available its underwriting team to prospective Borrowers. The Authority will choose its Issuer’s Counsel.

C. Inducement Resolution

If requested, the Authority may present an Inducement Resolution to the Authority Board evidencing its intent to issue tax-exempt bonds to finance a Development as required under Treas. Reg. §1.103-8(a)(5) and § 1.150-2. The Inducement Resolution may be presented after an application is received but prior to the time the Authority has completed its application review. Adoption of an Inducement Resolution does not commit the Authority Board or the Authority to approve a Development or to finance it. The Inducement Resolution allows the Borrower to recapture costs associated with the acquisition, construction and/or rehabilitation, and equipping of the Development. Passage of an Inducement Resolution by the Authority Board does not constitute a contractual or other obligation of the Authority. Issuance of the Bonds is subject to the Authority’s entry into mortgage Loan documents with the Borrower on terms satisfactory to the Authority, consistent with applicable law and approved by further resolution of the Authority Board. Notwithstanding the foregoing, the Authority reserves the right not to present an Inducement Resolution to the Authority Board.

D. Bond Resolution

In general, the Borrower must inform the Authority’s Chief Financial Officer as early as possible, but in no event less than six (6) weeks prior to the anticipated adoption date of the Bond Resolution, of the plan for final document production. Shortly after this notification, the Authority will appoint Issuer’s Counsel and Bond Counsel, if not already appointed. The decision when to appoint Issuer’s Counsel and Bond Counsel rests solely with the Authority, and the Authority will make its decision based on the particulars of the proposed financing.

Before consideration of a Development by the Authority Board, the final form of Bond Resolution must be delivered to the Authority’s General Counsel by 9:00 a.m. on Wednesday of the week prior to the week of the Authority Board meeting for inclusion in the notice package to the Authority Board.
Copies of all major financing documents, including, without limitation, the Loan or Financing Agreement, the Trust Indenture, the Official Statement (or other disclosure document), the Bond Purchase Agreement, and the Bond Resolution must be delivered to the Authority’s General Counsel in substantially final form satisfactory to the Authority and its Issuer’s Counsel no later than 9:00 a.m. on the Wednesday prior to the Authority Board meeting. The Authority expects Bond Counsel and Underwriter’s Counsel to work in concert with its Issuer’s Counsel to prepare these documents.

Once received, the Authority’s General Counsel and Chief Financial Officer will review the submitted materials. If the materials are found to be insufficient, the Authority reserves the right to remove the financing from the meeting agenda. Finally, the Authority understands that the tax agreement, escrow documents and closing certificate may not be in final form at this time. For those documents to which the Authority is not a party (such as bank documents in a credit enhanced financing), Bond Counsel should provide the Authority’s Chief Financial Officer and/or the Authority’s General Counsel with a report via e-mail or letter on the status of such documents no later than 9:00 a.m. on the Wednesday prior to the Authority Board meeting.

E. Public Notice and Hearing Procedures

Prior to the consideration of a Bond Resolution for a tax-exempt financing by the Authority Board, each Borrower must satisfy the public notice and hearing requirements of Section 147(f) of the Code and applicable regulations. Section 147(f) of the Code requires that a public hearing be held prior to the Authority’s issuance of tax-exempt bonds. Ordinarily, the public hearing must be held before the adoption of the Bond Resolution. The Authority may consider requests to hold a public hearing after adoption of a Bond Resolution on a case by case basis. Such a request must be made to the Authority’s General Counsel and the Authority may grant such requests at its sole discretion. Responsibility for compliance with requirements of Section 147(f), including, without limitation, timely publication of notices, rests solely with Bond Counsel. Borrowers have no obligation to attend the public hearing unless requested by the Authority. Additionally, the Governor’s office requires a transcript of the public hearing prior to the Governor’s execution of an Approval Letter. The Authority will prepare and provide a transcript of the public hearing as a part of its closing certificate.

The Governor acts as the “applicable elected representative” for purposes of the public approval requirement of Section 147(f)(2)(E) of the Code. The Governor’s staff processes requests for approval upon (i) holding of a public hearing, and (ii) adoption of the Bond Resolution. Accordingly, the Authority only submits completed requests, which consist of affidavits of publication, a public hearing transcript and a Bond Resolution. Bond Counsel must allow sufficient time for processing a request for approval. Bond Counsel should assume a minimum turnaround time of fourteen (14) business days.

F. Due Diligence Responsibilities

The Authority requires that all participants comply with any and all applicable Federal and state securities laws, including, but not limited to, those requiring full and complete disclosure of material facts to potential investors. Responsibility falls on the participants to determine the appropriate investigations, material facts and required disclosure to prospective purchasers of Bonds. The Authority will not have any responsibility for such investigations or disclosures, and Issuer’s Counsel specifically disclaims any responsibility for such disclosures in its opinion. The Authority expects that the due diligence process undertaken for Authority financings will meet the following standards:

1) Underwriter’s Counsel, which must be well experienced in securities law matters, is expected to take responsibility for due diligence investigations and preparation and distribution of the Preliminary Official Statement and the Official Statement.
2) Underwriter’s Counsel is expected to issue an opinion in connection with the transaction and the adequacy of disclosure in the Official Statement. The disclosure opinion must comply with market practice for Rule 10b-5 opinions, without any exceptions considered material by Issuer’s Counsel or General Counsel to the Authority. The Authority considers financial and statistical information and financial statements to be permissible exceptions.

All opinions of counsel must be addressed to the Authority, including the opinions of Underwriter’s Counsel. The Issuer’s Counsel opinion will addresses various parties to the transaction. Because the scope and content of the Issuer’s Counsel’s opinion may vary due to the transaction, participants must contact Issuer’s Counsel to negotiate the coverage of the particular opinion. Please note that because the Authority seeks the most cost-efficient price for services, the Authority does not anticipate that Issuer’s Counsel will undertake the kind of due diligence necessary to render an enforceability opinion as to documents drafted by other parties to the transaction (i.e., Trust Indenture, Bond Purchase Agreement or Loan Agreement). Instead, the Authority expects that third parties will rely on the opinion of Bond Counsel for the enforceability of the Bonds and such documents.

G. Authority Indemnification

In order to foster the Authority’s statutory role and to enable the Authority to provide Borrowers discretion relative to their financings, all issuances must provide for indemnification of the Authority. In addition to the indemnification, the Borrower will be responsible for any costs (including, but not limited to, any legal fees) associated with a review of the transaction by the Internal Revenue Service. For the standard indemnification provisions that the Authority expects, see Exhibit A (Bond Purchase Agreement) and Exhibit C (Loan Agreement Rider) of these Guidelines. Additional indemnification may be required for private placements; see Exhibit F.

The Authority will not approve a Development or participate in a Bond financing if its indemnification requirements are not met. As stated in Section F above, the Authority will not have any responsibility for due diligence investigations or disclosure, and Issuer’s Counsel will specifically disclaim any responsibility for such disclosure in its opinion.

The existence of credit enhancement does not obviate the obligation to indemnify the Authority. Credit enhancement does not release the Borrower, underwriter, placement agent, remarketing agent or any comparable entity from its obligation to abide by covenants in the Bond documents.

A clear statement of the Authority’s indemnification must appear in all relevant Bond documents. In addition, the Official Statement or other disclosure document must clearly state that the Authority has only reviewed or approved particular information relating to the Authority under specific headings. Furthermore, the Bond Purchase Agreement must articulate the Authority’s non-participation in preparation of the offering document, except for the information relating to the Authority under specific headings. All such disclaimers must be conspicuously stated.

H. Disclosure Compliance

1. Private Placements

A Bond issue constitutes a private placement if it is offered to a limited number of “qualified institutional buyers,” as that term is defined by the SEC. The Authority may agree to participate in such an offering where certain conditions are met. These conditions include (i) a certificate or letter from each Bond purchaser covering the matters set forth in Exhibit E, and (ii) the incorporation of the provisions set forth
in Exhibit F into the documents noted therein. These requirements are in addition to and not in lieu of the other requirements noted in these Guidelines. The Authority and Issuer’s Counsel assume that purchasers in a private placement transaction will insist on receiving from the other parties to the transaction the information that the Bond purchasers deem necessary to finalize their investment decisions.

2. **Public Offerings**

All other offerings that do not meet the private placement requirements described above are considered public offerings. Upon request the Authority will, in the Bond Resolution, authorize or ratify the distribution of a disclosure document in the form of an Official Statement or the like. The Authority will not sign any Bond disclosure statement. In addition, in closing certificates, the Authority will certify only to those portions of the Official Statement describing the Authority and material litigation pending or threatened against the Authority.

3. **Secondary Market, Disclosure**

Under the Conduit Bond Program, the Authority does not provide secondary market disclosure. The Authority requires the Borrower and/or other participants to provide secondary market disclosure of financial information, operational data and other material information, as required by law. If applicable, given the particulars of the financing, the Official Statement must conspicuously contain language stating that the Authority does not provide secondary market disclosure, either at closing or on an on-going basis. The Borrower may provide such secondary market disclosure through a dissemination agent, such as the trustee or through other agents approved by the Authority. All costs and expenses associated with retaining the dissemination agent will be the sole responsibility of the Borrower.

4. **Blue Sky Laws**

The Authority and Issuer’s Counsel are not responsible for blue sky law compliance; rather, it is a responsibility of the underwriter for the Bonds. The Authority will disclaim such responsibility in the Bond Purchase Agreement and Issuer’s Counsel will do the same in its opinion.

I. **Closing Documents**

The Borrower and Bond Counsel are responsible for all closing documents except for the following documents provided by the Authority in customary form:

1. Bond Resolution
2. Authority By-Laws
3. Certified Copy of the Act
4. General Certificate of the Authority Chairman and Executive Director
5. Certificates of Incumbency of the Authority Board
6. Facsimile Signatures of the Authority Chairman and the Executive Director
7. Notice of Public Hearing along with Certificates of Publication and Newspaper Clippings
8. Minutes of Public Hearing
9. Governor’s Approval Letters

**SECTION IV.**

**POST-CLOSING MONITORING**
The Authority considers post-closing monitoring essential to ensuring accomplishment of its public mission. Borrowers and other participants are required to cooperate with Authority staff conducting post-closing monitoring tasks.

A. Annual Financing Statements

The Authority requires that, consistent with the Rules, Borrowers submit audited financial statements annually to the Authority. Financial statements should be submitted to the Managing Director of Asset Management Services Department at asset@ihda.org within ninety (90) days following the end of each calendar year.

B. Certificate of Completion

The Authority requires all Borrowers to complete and submit a Certificate of Completion stating that the Development is completed and identifying any unspent Bond proceeds. The Certificate of Completion should be delivered to the Director of the Authority’s Asset Management Services Department within thirty (30) days of completion of the Development.

C. Site Visit

Prior to, during or after completion of the Development, the Authority, at its discretion and without obligation, reserves the right to conduct site visits, upon reasonable notice to the Borrower.

D. Tenant Income Certifications

As described in Section II.D.3.1, the Act requires that prior to initial occupancy, the Authority set the number of low-income units and the rents to be charged. This will be set forth in the Authority’s Regulatory Agreement for the Development and will require verification by tenant income certifications submitted to the Authority or trustee under the Indenture entered into in connection with the issuance of the Bonds.

It is the Authority’s policy that the Developments financed by the issuance of the Authority’s tax-exempt Bonds meets the general income and occupancy requirements as set by the Code and established by HUD. On forms designated in the Tax Regulatory Agreement prepared by Bond Counsel and approved by the Authority, Borrowers shall obtain from each prospective tenant, prior to admission to the Development, a certification of income and thereafter on an annual basis (unless otherwise required by the Code), a recertification of income.

E. Arbitrage Rebate Calculations

For tax-exempt Bonds, the Authority requires Borrowers to be responsible for all arbitrage rebate calculations and all rebate payments. These calculations, along with a legal opinion, must be provided by the Borrower through a qualified arbitrage rebate consultant and submitted to the trustee for the Bonds no later than thirty (30) days after the end of each fifth year that the Bonds remain outstanding and upon retirement of the Bonds. It is recommended that the Borrower make the calculation each year and deposit the requisite amount of funds in an escrow account to ensure that the Borrower has enough funds to make the rebate payments as described herein. All costs and expenses associated with the rebate consultant will be the sole responsibility of the Borrower. The trustee and the Authority shall be entitled conclusively to rely on the calculations and directions of the Borrower’s arbitrage rebate consultant, and shall not be responsible for any loss or damage resulting from any action taken or omitted to be taken in reliance on
those calculations and directions. The Borrower is required to send the Authority each rebate report that is prepared with evidence of payment of any amount that is owed.

F. Reporting Requirements

The Borrower must furnish to the Authority and agencies of the State such periodic reports or statements as are required under the Act, or as such agencies may otherwise reasonably require of the Authority or Borrower throughout the term of the Loan Agreement. Without limiting the foregoing, (i) at the closing, the Borrower must provide to the Authority a written certification as to the scheduled monthly amortization of the Loan and the Bonds, and represent to the Authority that the Loan and the Bonds will remain in compliance therewith unless and until the Borrower provides a new schedule with respect thereto, and (ii) on or before July 15th of each year, the Borrower will provide (or cause to be provided) to the Authority a written certification as to the unpaid principal balances of the Loan and the Bonds as of the prior June 30th. The trustee or escrow agent for the Bonds is required to report the information set forth in Exhibit G to the State Comptroller’s Office.

G. Post-Closing Compliance for Other Authority Programs

As noted previously, Developments utilizing other Authority financing or low income housing tax credits will have additional requirements both in the initial underwriting process and post-closing. Borrowers and their counsel should consult these programs and/or with the appropriate Authority personnel to determine what post-closing requirements these programs require.

SECTION V.

This offer is made subject to the acceptance of this Purchase Contract by the Authority and the Borrower and delivery of the executed Purchase Contract to the Purchaser on or before 5:00 P.M., Chicago time, today. Capitalized terms used but not otherwise defined herein have the same meanings given them in the Official Statement.

1. Agreement to Purchase. Upon the terms and conditions, and upon the basis of the representations, warranties and agreements, herein set forth, the Purchaser agrees to purchase from the Authority, and the Authority agrees to sell to the Purchaser, the Authority’s $__________ Multi-Family Housing Revenue Bond, Series _______ ([Name of Development]) (the “Bonds”). The Bonds shall be in the form set forth in the Indenture.

2. Purchase Price. The purchase price of the Bonds shall be $_________; at the Closing (defined below), the Purchaser will deliver for payment to the Authority or its designee, in immediately available funds, the amount of $__________, which represents the purchase price for the Bonds; the Purchaser will receive a fee from the Borrower of $______ (____% ) in connection with its purchase of the Bonds.

3. Public Offering. The Purchaser agrees to make a bona fide public offering of all the Bonds at the price or prices set forth on the cover page of the Official Statement. In connection therewith, the Purchaser agrees as follows:
(a) to offer the Bonds only pursuant to the Official Statement and not to make any statements in connection with the offering and sale of the Bonds that go beyond or are inconsistent with the information contained in the Official Statement;

(b) to comply with all applicable registration and qualification requirements applicable to the Purchaser of the Bonds under any securities or Blue Sky Laws of any jurisdiction in which such registration or qualification is required;

(c) not to make any untrue or misleading statement in connection with the offering and sale of the Bonds and to ensure that all information contained in the Official Statement under the caption “Underwriting” [and/or “Remarketing”] is true and correct in all material respects, does not contain any untrue statement of a material fact and does not omit any material fact necessary in order to make the statements therein, in light of the circumstances in which they were made not misleading; and

(d) to perform its responsibilities as an underwriter of the Bonds under applicable federal and state securities laws, including, without limitation, its obligation to review the Official Statement in a professional manner and to make such investigation as appropriate in order to have a reasonable basis for concluding that the Official Statement does not contain any untrue statement of a material fact and does not omit to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading; and

(e) to the extent permitted by law, to advise the Authority and the Borrower if at any time during the initial underwriting period (within the meaning of Rule 15c2-12, if applicable) for the Bonds there is any reason for the Purchaser to believe that the Official Statement then contains any untrue statement of a material fact or any omission of a material fact necessary in order to make the statements therein, in light of the circumstances in which they were made, not misleading, and in such case, the Authority, the Purchaser and the Borrower shall take such steps as may be appropriate to amend or supplement the Official Statement.

[3. Private Offering.]

(a) The Purchaser represents that it is purchasing the Bonds for its own account and not for reoffering to the public. In connection with its purchase of the Bonds, the Purchaser agrees to deliver to the Authority an investor letter substantially in the form of [Exhibit E to these Guidelines] attached hereto. In the event the Purchaser transfers the Bonds, they may be transferred in whole and not in part, and, if applicable, only where [both] [all] Series are being transferred; subsequent purchasers must deliver investor letters to the Authority substantially in the form of [Exhibit E to these Guidelines] attached hereto, and must assume all obligations of the Purchaser hereunder (except to the extent that indemnity and hold harmless provisions relate to the period prior to the date of such transfers). In the event of a transfer of the Bonds (or any beneficial interest therein), by the Purchaser other than in accordance with the provisions of this Purchase Contract and the securities laws of the United States, the Purchaser agrees to indemnify the Authority against any liability, cost or expense (including attorneys’ fees) that may result therefrom. The Purchaser may not sell participations in the Bonds.

(b) The Purchaser represents that it has been advised by its counsel that the purchase of the Bonds requires neither the registration of the Bonds with the United States Securities and Exchange Commission, nor the qualification of the Bonds under the “Blue Sky” or other securities laws and regulations of any state or other jurisdiction of the United States applicable to the purchase.]
4. **Official Statement.**

(a) The Borrower shall deliver to the Purchaser, as soon as practicable following the execution and delivery of this Agreement, but in no event later than three (3) business days prior to the Closing, sufficient quantities of the Official Statement (executed on behalf of the Borrower) to enable the Purchaser to comply with the rules of the Securities and Exchange Commission and the Municipal Securities Rulemaking Board, including subsection (b)(4) of Rule 15c2-12, if applicable, and Municipal Securities Rulemaking Board Rule G-32. The Authority and the Borrower agree that the Official Statement may be used by the Purchaser in the offering of the Bonds, and that the Authority and the Borrower will cooperate with the Purchaser if the Purchaser decides to qualify the Bonds under the securities laws of any state; provided, however, that the Authority will not be required to execute a special or general consent to service of process or qualify as a foreign corporation in connection with any such qualification in any jurisdiction or take any action that the Authority considers unreasonably burdensome. The Authority and the Borrower ratify, confirm and consent to the use (if any) of drafts of the Official Statement by Purchaser’s Counsel in obtaining such qualification.

b) The Authority and Borrower certify that (i) the Official Statement as of its date was deemed final by the Authority and the Borrower for purposes of Rule 15c2-12, provided that the Authority makes the representations in this paragraph only with respect to information contained under the captions “THE AUTHORITY” and “LITIGATION – The Authority” in the Official Statement. The Borrower deems the remaining information contained in the Official Statement to be final as of its date, except for the omission of such information as is permitted by Rule 15c2-12, such as offering prices, interest rates, selling compensation, aggregate principal amount, principal per maturity, delivery dates, ratings and other terms of the Bonds depending on such matters.

c) The Borrower approves the form of and authorizes the Purchaser to prepare, use and distribute the Official Statement in final form in connection with the public offering and sale of the Bonds. (d) The Authority is duly authorized to issue, sell and deliver the Bonds. When delivered to and paid for by the Purchaser at the Closing in accordance with the provisions of this Agreement, the Bonds will have been duly authorized, executed, authenticated, issued and delivered in conformity with, and entitled to the benefit and security of, the Indenture, subject to customary exceptions for bankruptcy, and the availability of other remedies; and

(e) Except as may be set forth in the Official Statement, there is no action, suit, proceeding, inquiry or investigation at law or in equity or before or by any court, public board or body pending against the Authority (as to which the Authority has received service of process) or, to the knowledge of the Authority, threatened against or affecting the Authority in which an unfavorable decision, ruling or finding would (i) adversely affect the transactions contemplated by the Authority Documents, or the validity or enforceability of the Authority Documents, or any other agreement or instrument to which the Authority is a party and which is used or contemplated for use in the consummation of the transactions contemplated by the Issuer Documents or (ii) question the exclusion of the interest on the Bonds from the gross income of their owners for federal income tax purposes.

9. Indemnification of the Authority.

(a) The Purchaser agrees, at its expense, to pay, indemnify, defend and hold harmless the
Authority along with the Authority's members, officers, agents, employees, successors and assigns or
other elected or appointed officials of the Authority, past, present or future and each person, if any, who
has the power, directly or indirectly, to direct or cause the direction of the management and policies of the
Authority, pursuant to the Act or the Authority's regulations or bylaws (each, including the Authority, an
"Authority Indemnified Party" and collectively “Authority Indemnified Parties”), from and against any
and all losses, claims, damages, demands, taxes, liabilities, costs or expenses (collectively, "Claims"),
including reasonable attorneys’ fees and expenses, if arising out of or in connection with any and all suits,
actions, legal or administrative proceedings, or claims arising or resulting from, or in any way connected
with, the exercise or performance by the Purchaser of any of its powers or duties (i) under this Purchase
Contract or any of the other Bond documents or (ii) in connection with the initial offering of the Bonds.
The Purchaser shall promptly assume the defense of any Claim made against any Authority Indemnified
Party, including the employment of counsel reasonably satisfactory to the Authority, at the sole expense
of the Purchaser.

(b) (1) The Borrower agrees, at its expense, to pay and to indemnify, defend and hold
harmless the Authority Indemnified Parties, the Purchaser, [the Remarketing Agent,] the Trustee, the
Bond Registrar, the Master Paying Agent, any person who “controls” the Purchaser, [the Remarketing
Agent,] the Bond Registrar, the Master Paying Agent or the Trustee within the meaning of Section 15 of
the Securities Act of 1933, as amended, and any member, officer, director, official and employee of [the
Remarketing Agent,] the Purchaser, the Bond Registrar, the Master Paying Agent or the Trustee
(collectively, with the Authority Indemnified Parties, the “Indemnified Parties”) from and against any and
all losses, claims, demands, actions or rights of action and any damages, taxes, liabilities, costs, penalties
or expenses (including reasonable attorneys’ fees and expenses), or liability of any nature due to any and
all suits, actions, legal or administrative proceedings, or claims arising or resulting from, or in any way
connected with: (i) the exercise or performance by the Borrower of any of its powers or duties under this
Agreement or any of the other Bond Documents, or in connection with the initial offering of the Bonds,
(ii) any audit examination by the Internal Revenue Service of the tax-exempt status of interest on the
Bonds, or any investigation or litigation by the Securities and Exchange Commission or the Securities
Department of the Office of the Secretary of State of Illinois arising from the offering and issuance of the
Bonds to prospective investors, (iii) the financing, acquisition, construction, operation, use, management
or maintenance of the [Name of Development], (iv) any act, failure to act, or misrepresentation by any
Indemnified Person in connection with the issuance, sale, delivery or remarketing of the Bonds, or (v) any
act, failure to act, or misrepresentation by the Authority in connection with this Agreement or any other
document involving the Authority in this matter, regardless of whether any such loss, claim, demand,
action or right of action or such damage, tax, penalty or expense, or liability should be contributed to by
the sole or partial negligence of the Authority or any Authority Indemnified Party. If any suit, action or
proceeding is brought against the Authority or any Indemnified Party, that suit, action or proceeding shall
be defended by counsel to the Authority or the Borrower, as the Authority shall determine. If the defense
is by counsel to the Authority, the Borrower shall indemnify the Authority and Indemnified Parties for the
reasonable cost of that defense including reasonable attorneys’ fees and expenses. If the Authority
determines that the Borrower shall protect and defend the Authority or any Indemnified Parties, the
Borrower shall immediately assume the defense at its own cost. Neither the Authority nor the Borrower
shall be liable for any settlement of any proceeding made without each of their consents (which consents shall not be unreasonably withheld).

(2) The Borrower shall also indemnify the Indemnified Parties for all reasonable costs and expenses, including reasonable attorneys’ fees and expenses, incurred in: (i) enforcing any obligation of the Borrower under this Agreement or any related agreement, (ii) taking any action requested by the Borrower, (iii) taking any action required by this Agreement or any related agreement, or (iv) taking any action considered necessary by the Authority and which is authorized by this Agreement or any related agreement.

(3) Any provision of this Agreement or any other instrument or document executed and delivered in connection with this Agreement to the contrary notwithstanding, the Authority retains the right to (i) enforce any applicable federal or state law or regulation or resolution of the Authority and (ii) enforce any rights accorded to the Authority by federal or state law or regulation or resolution of the Authority, and nothing in this Agreement shall be construed as an express or implied waiver of such right. This indemnification is in addition to any other indemnification provided by the Borrower to the Indemnified Parties.

(4) The Borrower acknowledges that the intention of this Section is that the Authority’s interests be reasonably protected. Accordingly, the Borrower agrees that if any provision of this Section is construed to be unenforceable for any reason or under any circumstance, the enforceability of (i) such provision under the circumstances, and (ii) the remaining provisions will not be affected.

(c) Each Indemnified Party shall give prompt notice to each indemnifying party of any action commenced against it or any claim asserted against it in respect of which indemnity may be sought hereunder, but failure to so notify any indemnifying party shall not relieve it from any liability which it may have otherwise than on account of this indemnity agreement. An indemnifying party, upon receiving notice of any action or claim for which indemnification is sought by an Indemnified Party, may assume and control the defense thereof with counsel satisfactory to it and the Indemnified Party. Following the assumption of the defense of any such action or claim, the indemnifying party shall not be liable for any legal or other expense subsequently incurred by the Indemnified Party in the defense of such action or claim, except expenses incurred because (i) the indemnifying party shall not have employed counsel to defend such action or claim within a reasonable time after its assumption of the defense thereof or (ii) the Indemnified Party has been advised by counsel employed by the Indemnified Party to defend such action or claim that the Indemnified Party may have available to it one or more defenses to such action or claim that are inconsistent with the defenses available to the indemnifying party or one or more other Indemnified Parties. An Indemnified Party may participate in the defense of such action or claim. In no event (other than aforesaid) shall the indemnifying parties be liable for the fees and expenses of more than one counsel for all Indemnified Parties in connection with any action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances unless it is determined that the retention of one counsel would create a conflict between the Indemnified Parties, in which case additional counsel may be retained.

(d) In order to provide for just and equitable contribution as a result of specific circumstances or acts for which both the Borrower and the Purchaser are determined to be liable to the Authority for the indemnities provided for in paragraph (a) and (b) of this Section, the Borrower and the Purchaser shall contribute to the aggregate losses, damages, expenses, liabilities or claims of the nature contemplated by said indemnity agreement incurred by the Borrower and the Purchaser, in such proportions as are determined by a court of competent jurisdiction; provided, however, that no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For
purposes of this Section, each person who controls the Purchaser, within the meaning of the Securities Act or the 1934 Act, shall have the same rights of contribution as the Purchaser and each person who controls the Borrower within the meaning of the Securities Act or the 1934 Act shall have the same rights of contribution as the Borrower.

(e) The indemnity provided by Subsection (b) of this Section shall be in addition to any other liability the Borrower may otherwise have hereunder, at common law or otherwise, and is provided solely for the benefit of the Purchaser and the Authority and their respective successors, assigns, legal representatives or controlling persons and the members, directors, officers, employees and agents thereof, and no other person shall acquire or have any right under or by virtue of such provisions of this Purchase Contract. The indemnity provided by Subsection (a) of this Section shall be in addition to any other liability the Purchaser may otherwise have hereunder, at common law or otherwise, and is provided solely for the benefit of the Authority Indemnified Parties and their respective successors, assigns, legal representatives or controlling persons and the members, officers, employees and agents thereof, and no other person shall acquire or have any right under or by virtue of such provisions of this Purchase Contract.

10. **Conditions to Purchase.** The obligations of the Purchaser under this Purchase Contract are subject to the accuracy in all material respects of the representations and warranties of the Authority and the Borrower contained in this Purchase Contract as of the date of this Purchase Contract and as of the date of the Closing, and to the following additional conditions:

(a) the Bonds shall have been duly authorized, executed and authenticated; and

v. the condition of the Development (environmental or otherwise), including any violation of any law, ordinance, court order or regulation affecting the Development or any part of it;

4. **Reporting Requirements of the Borrower.**

The Borrower will furnish to the Authority and agencies of the State such periodic reports or statements as are required under the Act, or as such agencies may otherwise reasonably require of the Authority or Borrower throughout the term of the Loan Agreement. Without limiting the foregoing, (i) at the Closing, the Borrower will provide to the Authority a written certification as to the scheduled monthly amortization of the Loan and the Bonds, and represent to the Authority in connection therewith that the Loan and the Bonds will remain in compliance therewith unless and until the Borrower provides a new schedule with respect thereto, and (ii) on or before July 15th of each year, the Borrower will provide (or cause to be provided) to the Authority's Comptroller a written certification as to the unpaid principal balances of the Loan and the Bonds as of the prior June 30th.

IN THE EVENT OF ANY DEFECT OR DEFICIENCY OF ANY NATURE IN THE PLANS AND SPECIFICATIONS FOR THE DEVELOPMENT, THE DEVELOPMENT OR ANY FIXTURE OR OTHER ITEM CONSTITUTING A PORTION THEREOF, WHETHER PATENT OR LATENT, THE AUTHORITY SHALL HAVE NO RESPONSIBILITY OR LIABILITY WITH RESPECT THERETO. THE PROVISIONS OF THIS RIDER HAVE BEEN NEGOTIATED AND ARE INTENDED TO BE A COMPLETE EXCLUSION AND NEGATION OF ANY WARRANTIES OR REPRESENTATIONS BY THE AUTHORITY, EXPRESS OR IMPLIED, WITH RESPECT TO THE PLANS AND SPECIFICATIONS FOR THE DEVELOPMENT, THE DEVELOPMENT OR ANY FIXTURE OR OTHER ITEM CONSTITUTING A PORTION THEREOF, WHETHER ARISING PURSUANT TO THE UNIFORM COMMERCIAL CODE OF THE STATE OF ILLINOIS OR ANOTHER LAW NOW OR HEREAFTER IN EFFECT OR OTHERWISE.

6. **Liability of Authority.**

All obligations of the Authority incurred under any of the Bond Documents shall be limited obligations of the Authority, payable solely and only from the Trust Estate (as defined in the Indenture). The Bonds shall be payable solely from the Revenues (as defined in the Indenture) and other funds and accounts pledged under the Indenture for the payment of the Bonds, and no owner or owners of any of the Bonds shall ever have the right to compel any exercise of the taxing power of the Authority, the State or any political subdivision or other public body of the State, nor to enforce the payment of the Bonds against the Authority, the State or any such political subdivision or other public body, except as provided in the Indenture. Additionally, the Borrower agrees that, whenever the Indenture by its terms imposes a duty or obligation upon the Borrower, such duty or obligation shall be binding upon the Borrower to the same extent as if the Borrower were an express party to the Indenture, and the Borrower agrees to carry out and perform all of its obligations under the Indenture as fully as if the Borrower were a party to the Indenture.

b. Any Distribution shall be limited in any one (1) calendar year to Surplus Cash, as calculated and approved by IHDA, so as not to exceed ____________ percent (____%) of the Borrower's Equity (“Limited Distribution”).

c. The right to Limited Distributions shall cumulate from the Closing Date. To the extent that the Borrower does not receive a Limited Distribution in any calendar year, it may be paid out of Surplus Cash or Residual Receipts, if any, available in subsequent years.

The Borrower shall, upon reasonable notice from the Authority and during normal business hours, allow access to the records and books of account related to the operation of the Development, including, without limit, any supporting or related vouchers or papers, kept by or on behalf of the Borrower and their representatives or agents; such access shall include the right to make extracts or copies of them.

c. **Financial Statement.** Within ninety (90) days following the end of each calendar year, the Borrower shall furnish to the Authority a complete audited financial statement report for the Development based upon an examination of the books of accounts and records of the Borrower, prepared at the Borrower's expense in accordance with generally accepted accounting principles, and certified to the Borrower by an Illinois licensed certified public accountant, or other person acceptable to the Authority.

d. **Furnishing Information.** At the request of the Authority, the Borrower shall furnish such reports, projections and analyses as are required pursuant to the Rules, and the policies and procedures of the Authority, as amended and supplemented from time to time, and shall give specific answers to questions upon which information is desired from time to time relative to the Development's condition, income, assets, liabilities, contracts and operation.

If such violation is not corrected within thirty (30) days after the date of such notice, or within such further time as the Authority in its sole discretion permits, then without further notice the Authority may declare a default under this Agreement, effective on the date of such declaration, and upon such default, the Authority may exercise any and all remedies that it may have, at law or in equity. The Authority’s remedies are cumulative and the exercise of one remedy shall not be deemed an election of remedies, nor foreclose the exercise of the Authority’s other remedies.

Notwithstanding anything to the contrary contained in this Agreement, the Authority agrees that any cure of any default made or tendered by one of Borrower’s [limited partners/members] shall be deemed to be a cure by Borrower and shall be accepted or rejected on the same basis as if made or tendered by Borrower.

10. **Development Funds and Development Property.** The Development and Development Funds are referred to in this Agreement as “Development Property.” Development Funds shall be expended only for: (i) payment of Operating Expenses, Maintenance Expenses and Administrative Expenses; (ii) payments into any tax and insurance reserve account; (iii) payments of amounts due under the Loan Agreement, including principal, interest, late charges and other amounts payable under it; (iv) payments into any replacement reserve account; [and](v) payments of amounts due under any permitted subordinate financing[.]; and (vi) subject to any amounts required to be paid into the Residual Receipts Account pursuant to Paragraph 4 hereof, or by reason of the limitations of Paragraph 6 hereof, payments to the Borrower as a Distribution.]

11. **Termination of Liabilities.** In the event of a sale or other transfer of the Development, all of the duties, obligations, undertakings and liabilities of the Borrower and/or such owner-transferor under the terms of this Agreement shall thereafter cease and terminate as to the Borrower and/or such owner-transferor, except as to any acts or omissions or obligations
to be paid or performed by the Borrower and/or owner-transferor that occurred prior to such sale or transfer. However, as a condition precedent to the termination of the liability of the Borrower or owner-transferor under this Agreement, the owner-transferee shall assume, on the same terms and conditions as apply under this Agreement to the owner-transferor, all of the duties and obligations of such owner-transferor arising under this Agreement from and after such sale or transfer. The owner-transferee shall assume the Loan Documents to the extent provided in them.

12. **Term of Agreement/Covenants Running with Land.** The covenants set forth in this Agreement shall be deemed to run with and bind and burden the Development, and shall be deemed to bind any future owners of the Development and any legal, equitable or beneficial interest in it, and shall not be deemed extinguished, satisfied or completed until payment in full of the Mortgage.

13. **Subordination.** This Agreement is subordinate in each and every respect to any and all rights of any kind created under the Loan Documents, including, without limitation, that certain Mortgage dated as of the date of this Agreement made by the Borrower to the Bond Trustee.

FORM OF QUALIFIED TRANSFEREE LETTER

[Letterhead of Investor]

[Date]

Illinois Housing Development Authority
401 N. Michigan Avenue, Suite 700
Chicago, Illinois 60611
Attention: Managing Director, Multifamily Financing Programs

Re: $________ Illinois Housing Development Authority Multi-Family
    Housing Revenue Bonds, Series _____ (________Development) (the
    “Bonds”)

Ladies and Gentlemen:

The undersigned (the “Investor”) hereby represents and warrants to you as follows:

1. The Investor proposes to purchase [To Be Used Only for Partial Participations: a portion of] the
   Bonds. The Investor understands that the Bonds have not been registered under the Securities Act of
   1933, as amended (the “1933 Act”), or the securities laws of any state, and will be sold to the Investor in
   reliance upon certain exemptions from registration and in reliance upon the representations and warranties
   of the Investor set forth in this letter.

2. The Investor is duly and legally authorized to purchase the Bonds, and the Purchaser is duly and
   legally authorized to execute this Qualified Transferee Letter. The Investor has satisfied itself that the
   Bonds are a lawful investment for it under all applicable laws.

3. The Investor has sufficient knowledge and experience in business and financial matters in
   general, and investments such as the Bonds in particular, and is capable of evaluating the merits and risks
   involved in an investment in the Bonds. The Investor is able to bear the economic risk of, and an entire
   loss of, an investment in the Bonds.

4. The Investor is purchasing [To Be Used Only for Partial Participations: a portion of] the Bonds
   solely for its own account for investment purposes and has no intention to resell or distribute all or any
   portion of, or interest in, the Bonds; provided that the Investor reserves the right to transfer or dispose of
   the Bonds at any time, and from time to time, in its complete and sole discretion, subject, however, to the
   restrictions described in paragraphs 4, 5 and 6 of this letter.

5. The Investor is familiar with the Illinois Housing Development Authority (the “Authority”) and is
   aware that the Bonds are not being offered and sold under or pursuant to an official statement or other
   disclosure document. In lieu thereof, the Investor was afforded the opportunity to ask questions of the
   Borrower and to review documents and other materials relating to the Authority generally and the Bonds
   particularly. Specifically, but without limitation, the Investor was given the opportunity to review and did
   review and evaluate information relating to the sources of repayment of the Bonds and the security
   therefore. Based on that review and on a general familiarity with the Authority, the Investor understands

E-1
that (i) the Bonds and interest thereon do not constitute an indebtedness, a liability, a general or moral obligation or a pledge of the faith or loan of credit of the Authority, the State of Illinois (the "State") or any political subdivision of the State within the meaning of any constitutional or statutory provisions, (ii) neither the Authority, the State nor any of its political subdivisions shall be obligated to pay the principal of or interest on the Bonds or other costs incident thereto except from the revenues and assets pledged with respect thereto, (iii) neither the faith and credit nor the taxing power of the United States of America, the Authority, the State or any of its political subdivisions is pledged to the payment of the principal of or interest on the Bonds or other costs incident thereto and (iv) the Bonds are not a debt of the United States of America or any of its agencies and are not guaranteed by the United States of America or any of its agencies.

6. The Investor has independently evaluated the factors associated with its investment decision. The Investor has been given full and complete access to, and has been furnished with, all information requested by the Investor regarding ________________ (the "Borrower"), and has conducted such other investigations relating to the Borrower, the Project and the Bonds, as in the opinion of the Investor was necessary in connection with its purchase of the Bonds. The Investor acknowledges that the Authority, its members, officers, counsel, advisors and employees, and agents of any of the foregoing (each individually an "Authority Party" and all collectively with the Authority, the "Authority Parties"), have not undertaken to furnish information to the Investor, or to ascertain the accuracy or completeness of any information that may have been furnished to the Investor by or on behalf of the Authority or the Borrower relating to the operations, financial condition or future prospects of the Borrower or the Project, and that none of the Authority Parties has made any representations concerning the accuracy or completeness of any information supplied to the Investor relating to the Borrower and the Project. The Investor further acknowledges that the Borrower has not undertaken to furnish information to the Investor regarding the Authority, or to ascertain the accuracy or completeness of any information that may have been furnished to the Investor by or on behalf of the Authority, and that the Borrower has not made any representations concerning the accuracy or completeness of any information supplied to the Investor relating to the Authority. The Investor waives any requirements of due diligence in investigation or inquiry on the part of any of the Authority Parties and all claims, actions or causes of action which the Purchaser may have directly or indirectly from or relating to any action which the Authority Parties took, or could have taken, in connection with the issuance and sale of the Bonds to the Investor.

.. The Investor agrees that it will only offer, sell, pledge, transfer or exchange the Bonds (or any legal or beneficial interest in the Bonds) in whole, and then only (i) in accordance with an available exemption from the registration requirements of Section 5 of the 1933 Act, (ii) in accordance with any applicable state securities laws, and (iii) in accordance with the provisions of the Bonds.

.. The Investor is a "qualified institutional buyer" as defined in Rule 144A promulgated under the 1933 Act ("Rule 144A"); it is aware that the sale of the Bonds to it is made in reliance on Rule 144A, and understands that the Bonds may be offered, resold, pledged or transferred only (1)(i) to a person who is a "qualified institutional buyer," as defined in Rule 144A, in compliance with Rule 144A, or (ii) pursuant to another exemption from registration under the 1933 Act; and (2) in compliance with the Bonds and applicable state securities laws.

.. If the Investor sells the Bonds (or any legal or beneficial interest in the Bonds), the Investor or its agent will obtain for your benefit, and deliver to you, from any subsequent purchaser a Qualified Transferee Letter in the form of this letter or such other materials (including, but not limited to, an opinion of counsel) as are required by you to evidence compliance of such sale and purchase with the requirements of the 1933 Act for an exemption from registration under the Act. The Investor indemnifies the Authority Parties against any failure by the Investor to transfer the Bonds in accordance with the restrictions relating thereto set forth in this letter.
All representations of the Investor contained herein shall survive the sale and delivery of the Bonds to the Investor as representations of fact existing as of the date of execution and delivery of this letter.

Very truly yours,

[Name of Investor]
