Checklist for On-Site Limited Monitoring and Section 504 Reviews

ADDENDUM B

Multifamily Housing (Housing) staff or Performance-Based Contract Administrators/Traditional Contract Administrators (CA) must complete this Checklist when conducting on-site management reviews of subsidized and unsubsidized multifamily housing projects. The questions on this checklist cover topics that the Housing staff or CA can be expected to answer and is not intended to cover the full range of civil rights concerns.

NOTE: This document does not require the Reviewer to make a determination of civil rights or Section 504 compliance.

The Checklist is divided into four parts.

Part A: Occupancy/Accessible Units/Program Accessibility (This section, along with instructions, must be forwarded to the owner/agent for completion prior to the on-site review. This document must be included in the Documents Reviewer Should Obtain from Owner. See Part D)

Part B: Limited On-Site Monitoring Review (The Reviewer must complete this section during the on-site management review of all projects.)

Part C: Section 504 Review (The Reviewer must complete this section during the on-site management review for all federally-assisted projects.)

Part D: Documents Reviewer Should Obtain from Owner/Agent (during the on-site management review).

Please Note that a "No" response to any question does not necessarily mean there is a fair housing/civil rights/Section 504 violation.

ADDENDUM B

INSTRUCTIONS FOR COMPLETING PART A

General instructions: Complete the project name, FHA/project number, and section 8/pac/prac information in the form header for each page.

SECTION 1 - Owner/Agent must respond to all questions in this section.

1. Check the appropriate box that the project was designed to serve. (Check only one box. Do not leave blank.)
   - Exclusively Elderly - defined as a person 62 years of age or older. (This option is for projects that were designed to serve only elderly persons/families, i.e., Section 202 PRAC properties)
   - Exclusively Disabled - Refer to HUD Handbook 4350.3, REV-1, Figure 3-6 for the applicable definition of disability. (This option is for projects that were designed to serve only persons with disabilities, i.e., Section 202/8 Projects for the Disabled and Section 811 projects. Please note that Section 202-8 Projects for the Disabled were developed to serve only non-elderly persons with disabilities. However, the Section 811 Projects were developed to serve persons with disabilities regardless of age as long as the minimum age requirement (age 18) is met.)
   - Elderly and Disabled - defined as a property that serves the elderly and non-elderly persons with disabilities. (This option is for projects that were originally designed to serve only elderly persons/families, however the owner may have elected a preference under Section 651 of Title VI, Subtitle D of the Housing and Community Development Act of 1992 (Title VI-D) to reserve a percentage of units for non-elderly persons with disabilities in accordance with the provisions of Section 652, Title VI-D. See instruction 4 below for Section 651 definition.)
   - Family - defined as all persons regardless of age or disability. (This option is for projects that serve all families with no restrictions or preferences as long as the minimum age requirement is met. Please note that family projects may have some units that are reserved for persons with mobility/visual/hearing impairments which would require the applicant to meet the needs of the unit.)

2. Enter the number of units occupied by each client group. (Please note that the term "near-elderly disabled" is defined as a person who is at least 50 years of age and below the age of 62 with a disability as defined in HUD Handbook 4350.3, REV-1.) (Enter zero "0" if there are no units occupied by the listed client group - do not leave blank)

3. If there is a use agreement or other document that references that the property must serve only elderly persons, answer "Yes", indicate in the space provided, and attach a copy of the document(s) listed. If there is no use agreement or other document that references that the property must serve only elderly persons, answer "No". If you are unclear on the term "use agreement," or are not able to locate the "use agreement" or any other document that defines the occupancy of your project, the answer is "unknown". Other documents include the regulatory agreement, loan commitment papers, financial documents, bid invitation, owner's management plan, application for funding, and/or application for mortgage defined as a person 62 years of age or older (Do not leave blank).

4. Section 651 of Title VI-D permits an owner to give "preference to elderly families if (1) the project was originally developed to serve the elderly and (2) it is a "covered Section 8 housing project." "Covered Section 8 housing projects" are projects that were constructed or substantially rehabilitated pursuant to assistance provided under section 8(b)(2) of the United States Housing Act of 1937, as in effect before October 1, 1983, that are assisted under a contract for assistance under such section.

*"A "preference" allows an owner to give priority to elderly persons when selecting tenants for occupancy. Section 651 of Title VI-D applies to the following programs:
   - The Section 8 New Construction Program, 24 CFR part 880
   - The Section 8 Substantial Rehabilitation Program, 24 CFR part 881
   - The State Housing Agencies Program (insofar as it involves new construction and substantial rehabilitation), 24 CFR part 883
   - The New Construction Set-Aside for Section 515 Rural Rental Housing Projects Program, 24 CFR part 884
   - The Section 8 Housing Assistance Program for the Disposition of HUD-Owned Projects (insofar as it involves substantial rehabilitation), 24 CFR part 886 subpart C

"Covered Section 8 housing projects" do not include those developed with funding under the following programs:
   - Section 202;
   - Section 202/8;
   - Section 202 or 811 PRAC;
   - Section 211 (d)(3), and/or
   - Section 236.

If an owner elects a Section 651 preference for the elderly, the owner must reserve a number of units for non-elderly persons/families with disabilities. Title VI-D requires that the owner review the occupancy records on January 1, 1992 and October 28, 1992 (the date of enactment for Title VI-D), determine the number of non-elderly persons with disabilities that occupied units on those two dates, take the higher of the two numbers and then take the lesser of that number and 10 percent.

For example, an owner has a "covered Section 8 project" that consists of 100 units and decides to implement an elderly preference under Section 651. The first thing the owner has to do is find the occupancy records for January 1992 and see how many units were occupied by non-elderly persons or families with disabilities on January 1. In this example, it was 10 units.
ADDENDUM B

Then the owner must find the occupancy records for October 1992 and see how many units were occupied by non-elderly persons/families on October 10 the date of the enactment of the Act. In this example it was 10 units.

To obtain the number of units that must be reserved for non-elderly disabled persons or families, the owner must take the higher number of the two dates (January 1, 1992 and October 28, 1992), which, in this example is 10.

Then the owner must compare that number with 10 percent of the total project units (in this example, it’s 10) and use the lower number for the number of units that must be reserved. Since 10 is less than 15, for this example the owner must reserve 10 units for non-elderly disabled persons or families.

Section 651 of Title VI-D, Subtitle D of the Housing and Community Development Act of 1992 (Title VI-D) permits owners of "other federally assisted housing" to continue to restrict occupancy to elderly families in accordance with the rules, standards, and agreements governing occupancy in such housing in effect at the time the housing was developed. If (A) the project was originally developed to serve the elderly and (B) the project has continually served elderly tenants. These projects include:

- Section 202 Direct Loans (prior to the Section 202 PRAC program)
- Section 221(d)(3) BMIR properties (New Construction and Substantial Rehabilitation)
- Section 326 properties

Answer question 5 as follows:

If there is an elderly restriction in accordance with Section 658 of Title VI-D, answer “Yes.” If there is no elderly restriction and occupancy is not limited to elderly applicants, answer “No.” (Do not leave blank).

6. If the property designates a number of units that can be occupied only by elderly persons, indicate the number of units. If the property does not have units that can only be occupied by elderly persons, enter zero “0.” (Do not leave blank).

7. If the property designates a number of units that can be occupied only by persons with disabilities, indicate the number of units. If the property does not have units that can only be occupied by persons with disabilities, enter zero “0.” (Do not leave blank).

8. If the property has units that must be occupied by non-elderly persons with disabilities, indicate the number of units. If the property does not have units that must be occupied by non-elderly persons with disabilities, enter zero “0.” (Do not leave blank).

2. Enter the total number of units (by bedroom size) that are receiving project based rental assistance. (Total must match numbers entered for each bedroom size. Do not leave blank.)
3. Enter the number of mobility accessible units (by bedroom size) and enter total in the "Total" column. (Although accessibility features include items such as grab bars, flashing fire alarms, widened doorways, entrance ramps, etc, this question should be answered by stating the number of subsidized units that are fully accessible in accordance with the Uniform Federal Accessibility Standards (UFAS) which is used to ensure compliance with Section 504 of the Rehabilitation Act of 1973. These standards were jointly developed by the General Services Administration, the department of Housing and Urban Development, the Department of Defense, and the United States Postal Service, under the authority of sections 2, 3, 4, and 4a, respectively, of the Architectural Barriers Act of 1968, as amended, Pub. L. No. 90-480, 42 U.S.C. 4151-4157. Copies of the UFAS are available from the Architectural and Transportation Barriers Compliance Board, 1331 F Street, NW, Suite 1000, Washington, D.C. 20004-1111, Telephone: (202) 272-0080, email address: info@access-board.gov. If the property is accessible in accordance with Minimum Property Standards (MPS), indicate the number of units that are MPS accessible. Unsubsidized units should also be counted if they meet UFAS compliance requirements. (Total must match numbers entered for each bedroom size. Do not leave blank)

8. Enter the number of accessible units (by bedroom size) occupied by non-elderly tenants with disabilities requiring the features of the unit and enter total in the "Total" column. (Total must match numbers entered for each bedroom size. Do not leave blank)

   (These tenants must have a mobility impairment as defined above.)

9. Enter the number of accessible units (by bedroom size) occupied by elderly tenants with disabilities requiring the features of the unit and enter total in the "Total" column. (Total must match numbers entered for each bedroom size. Do not leave blank)
