RE: Reminder of 2022 LIHTC and Compliance Connection Deadlines

SUMMARY:

On December 16, 2021, IHDA issued [Management Bulletin #533](#) introducing the 2022 Compliance Connection. This communication is being recirculated due to several upcoming deadlines.

As a further reminder, owners and agents may visit the [Compliance Connection website](#) to access the webtool listing each property's annual compliance requirements, which also features links to relevant [compliance forms and instructions](#), a [video tutorial](#) on how to use the webtool including its dynamic search features and how to download information for one or many of your properties, as well as a written [FAQ](#).

In adherence of Federal and State guidance, IHDA continues to operate virtually given the ongoing COVID-19 pandemic to ensure the appropriate public health and safety protocols. If and when there is a change in approach to such work, IHDA will advise affected properties in a separate communication and in advance. In the interim, please continue to be responsive to Asset Management staff requests for information or documentation to be shared virtually.

Our Asset Management team at IHDA continues to appreciate your ongoing support and partnership in such matters.

ATTENTION:

Due to concerns surrounding COVID-19 (i.e. Coronavirus), IHDA will not be accepting visitors at our offices until further notice. Many on-site meetings are being held remotely or have been postponed. With no on-site meetings or visits, IHDA staff will continue to be available via email and telephone. We also urge you to check the IHDA website or call (312) 836-5200. Your patience is appreciated as we all adjust to this new work environment.
