

Community Revitalization Strategy

Amenities and Assets Map Template

PID_12345

The CRSA Amenities and Assets Map Template helps create a map locating the subject property(ies) within the designated Community Revitalization Strategy Area, amenities, institutions, and assets, as well as where affordable housing is both currently located and planned. This template is a supplemental tool but the use of this template is not required to meet the threshold.

Template Instructions:

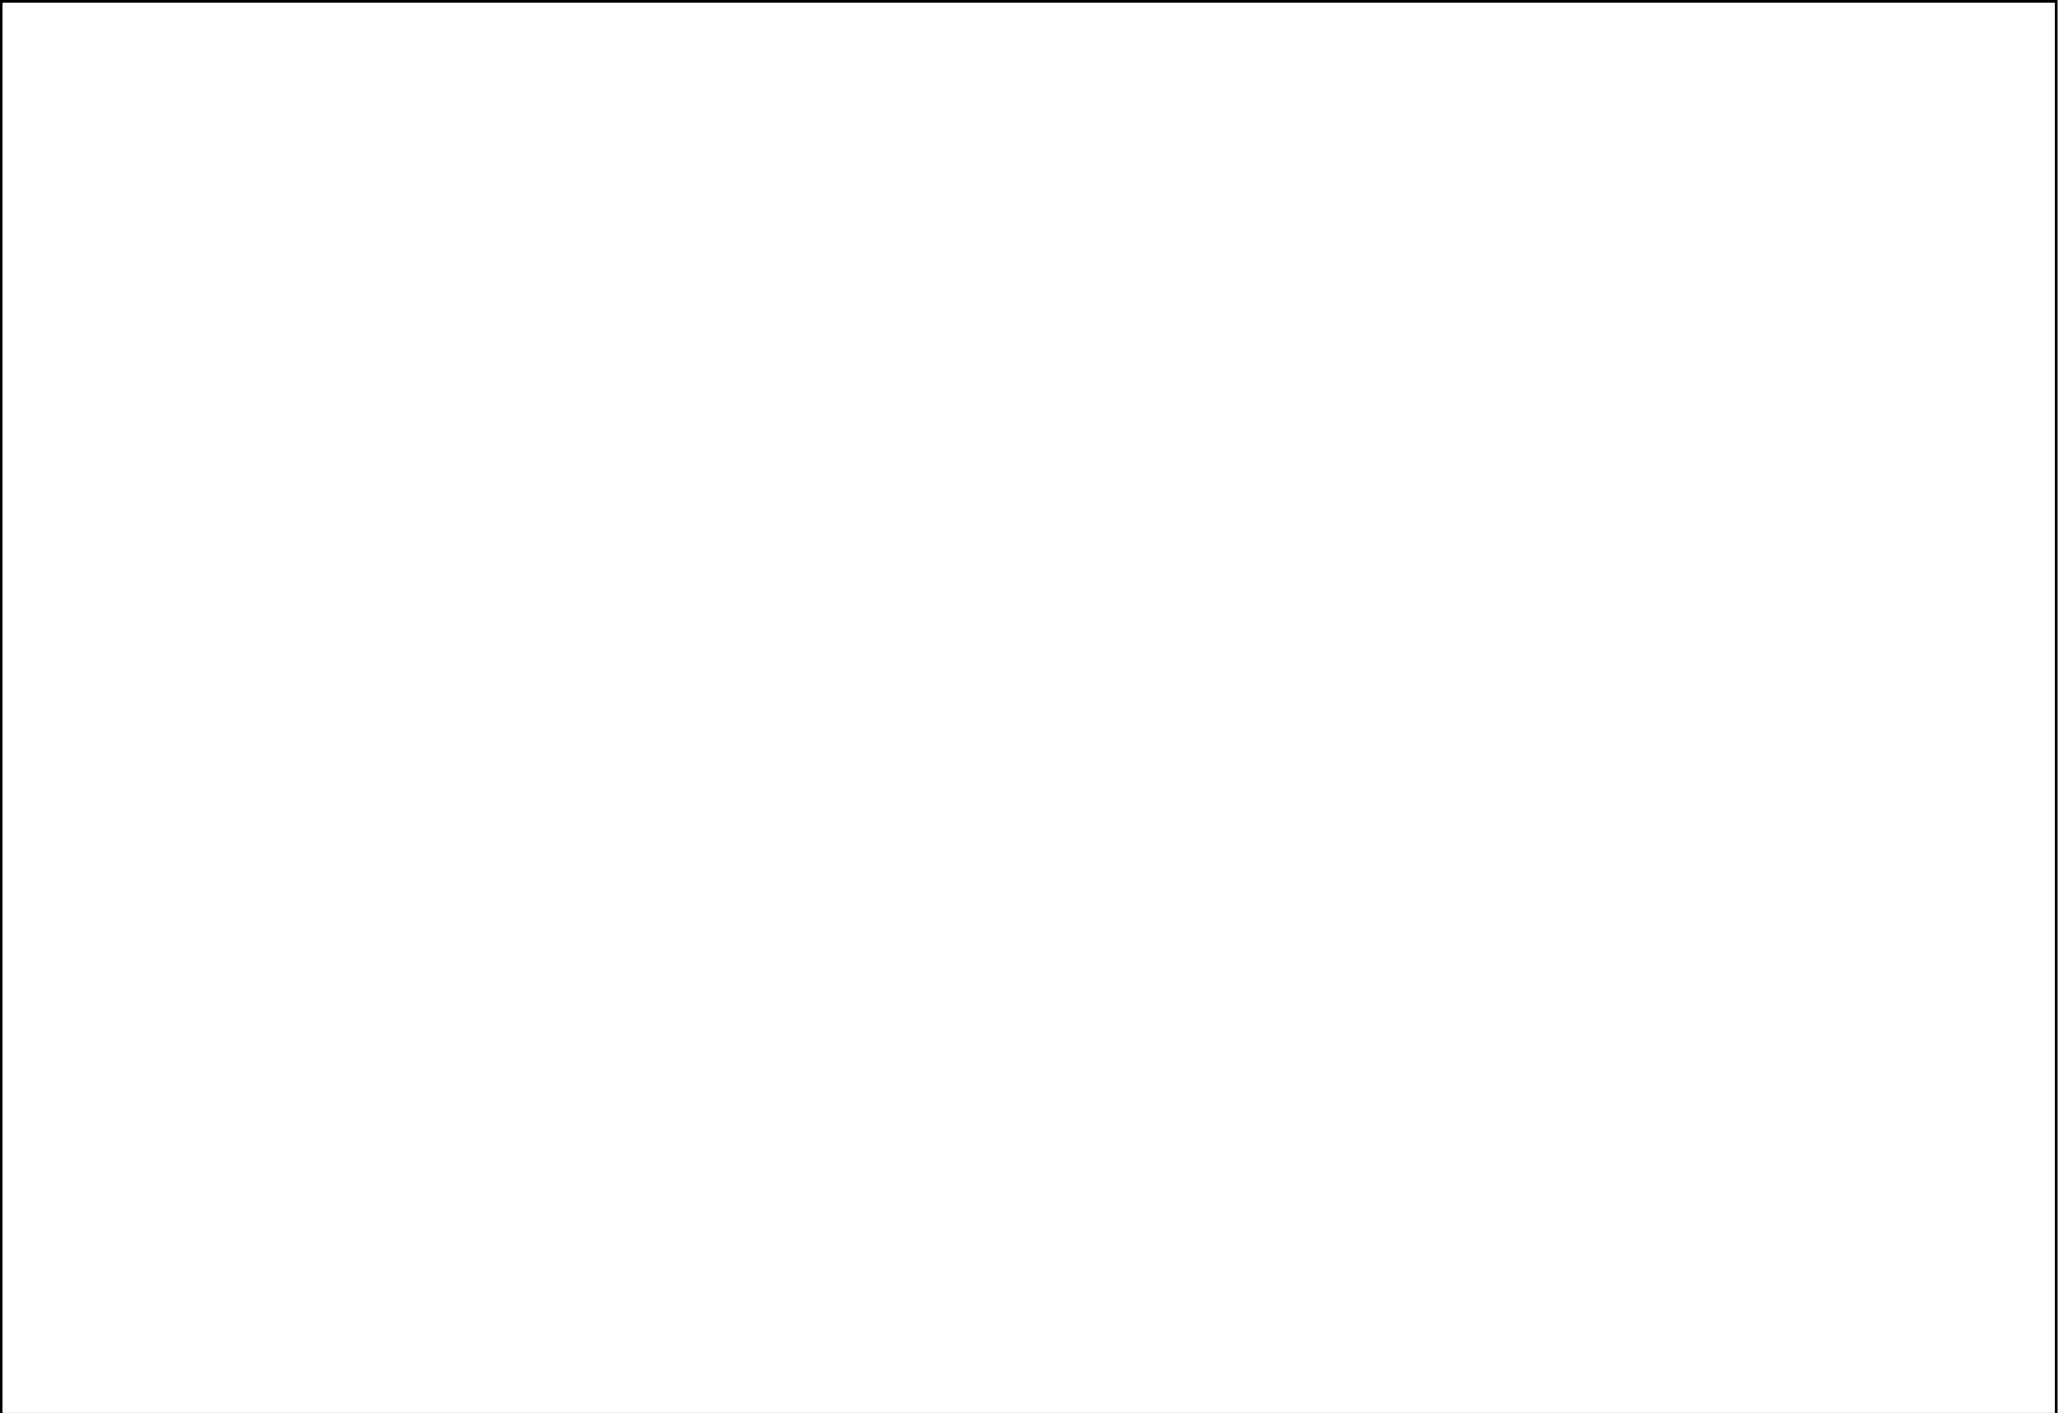

1. Insert map image into black box.
2. Use the dashed line to draw the boundaries of the CRSA.
3. Use the shaded box to locate the subject property(ies).
4. Identify the CRSA's amenities, institutions, assets, and affordable housing developments by placing the corresponding icon onto the map.
 - a. Copy the icon from the legend
 - b. Paste it onto the correct location on the map
 - c. If there is more than one amenity, asset, or institution in a category, copy and paste another icon then click inside the icon to change the number
5. Complete the Amenities and Assets Table.
 - a. Add rows to reflect additional amenities, institutions, assets in each category
 - b. Make sure the table row and category match the corresponding legend number

Legend

-  Defined CRSA
-  Subject property(ies)
-  Existing affordable housing other than subject property (LIHTC, Section 8, etc.)
-  Planned affordable housing other than subject property (identified in plans, under construction)
-  Banking and financial institutions
-  Recreational amenities (community parks, trails, gardens)
-  Civic and governmental institutions (City Hall, community centers, senior centers)
-  Childcare facilities
-  Educational amenities (public K-12, community college, adult/vocational)
-  Food access amenities (grocery stores, farmers markets, community food pantries)
-  Healthcare and social service facilities (clinics, urgent care centers, hospitals)
-  Transportation amenities (bus or train stations, carpool parking, bikes lanes)
-  Retail amenities (local shopping, restaurants, nightlife)
-  Planned improvements (new bike lanes, sidewalk improvements, public lighting installation)
