

Local Consolidated Plan Jurisdictions for FFY 2023 Funding

Projects located in the following cities and counties require a local Consolidated Plan Certification of Consistency, which should be requested from the city or county in which the project is located, except as noted below (see NOTE). The State (SPAR/IHDA) does not provide Certifications of Consistency for projects located in the following cities and counties.

- | | | |
|--|-----------|---|
| Cities: | (27) | Naperville (PE - DuPage County Consortium) |

| (24) City of Marion | (50) | McHenry County |
| (25) Moline | (51) | St. Clair County (LE) |
| (26) Mount Prospect | (52) | Will County |

PE = Participating Entity in a HOME Consortium

LE = Lead Entity of a HOME Consortium

NOTE: A Certification of Consistency for “participating entities” of a HOME Consortium should be obtained from the lead entity. The lead entity for each participating entity is noted beside each participating entity.
