STRATEGIC PLANNING AND REPORTING DEPARTMENT

Contents

Report Purpose	1
Ordinal Listing of Local Government Affordability	2
Nominal Listing of Community Affordability	37

Report Purpose

In 2003, the Illinois General Assembly passed the Affordable Housing Planning and Appeal Act (AHPAA) ([310 ILCS 67](#)), to address the shortage of affordably priced, accessible, safe, and sanitary housing in communities across Illinois. As in 2003, the growth in home purchase and rental price values continues to outpace relative growth in household income throughout the state. This ongoing situation leads to challenges in households finding housing near to their places of employment, and for retirees in continuing to reside in their preferred communities.

The law established a process for identifying communities with the most acute shortages of local housing stock available at an amount which would be affordable to:

- Homebuyers at 80% of the regional median household income
- Renters at 60% of the regional median household income.

Per the law, the Illinois Housing Development Authority (IHDA) must determine and then publish which local governments in Illinois are exempt and non-exempt from the operations of the Act. Determining a community's status is done by first tallying the total number of year-round occupied housing units available to owners and renters at amounts which would be considered affordable per the Act's requirements, and then dividing that amount against the community's total count of year-round occupied housing units, to generate a percentage referred to as an "Affordable Housing Share".

This report, commonly referred to as the "Statewide Affordability Listing", provides a summary of all communities in Illinois for which an "Affordable Housing Share" was determined during the 2023 AHPAA process. Across the report's two sections, local governments are first listed in an ordinal manner, based on their relative affordable housing share, and then nominally based on individual community name. Do note, this report is primarily meant to display relative community affordability share and not individual Exempt or Non-Exempt status. While Non-Exempt Local Governments (NELG(s)) are included in this report, readers should review the corresponding [2023 Report of Non-Exempt Local Governments](#) for a full listing of communities designated as an NELG and therefore subject to the operations of the law.

Additionally, per AHPAA's requirements, unincorporated communities, and Census Designated Places (CDPs) are not included in this report, as they are not mandated for inclusion when calculating community based affordable housing shares.

For more information on the 2023 AHPAA calculation process, including the datasets and methodology used by IHDA, please consult the corresponding [Affordable Housing Planning and Appeal Act: 2023 Non-Exempt Local Government Handbook](#).

Affordable Housing Planning and Appeal Act

(Determination based on 2021 U.S. Census, American Community Survey (ACS), 5-year estimates)

Ordinal Listing of Local Government Affordability

In this section, Illinois local governments are listed in an ordinal manner relative to their affordable housing share, as determined in 2023 per the AHPAA.

#	Place	County	Population	Total Year-Round Units	Total Affordable Units	Affordable Housing Share
1	Mettawa	Lake	647	227	0	0.0%
2	Kildeer	Lake	4,093	1,317	5	0.4%

¹ Per the AHPAA, IHDA accounts for median annual real estate taxes paid when calculating a local government's portion of its total year-round owner-occupied housing units, which are considered affordable for the purposes of the AHPAA. For Sandoval, estimated median annual real estate taxes paid could not be factored into the Village's 2023 AHPAA calculation as this data was not available for Sandoval from the U.S. Census' ACS 2017-2021 5-year estimates.

² Per the AHPAA, IHDA accounts for median annual real estate taxes paid when calculating a local government's portion of its total year-round owner-occupied housing units, which are considered affordable for the purposes of the AHPAA. For Sandoval, estimated median annual real estate taxes paid could not be factored into the Village's 2023 AHPAA calculation as this data was not available for Sandoval from the U.S. Census' ACS 2017-2021 5-year estimates.
