

# 2026 COMMUNITY REVITALIZATION STRATEGY

## Definitions

- **Community Revitalization Strategy (CRS)** shall mean a deliberate, concerted, and locally approved plan or documented interconnected series of local efforts with local stakeholder support intended to improve and enhance specific aspects of a Community Revitalization Strategy Area (defined below). Please note: A locally approved plan is but one method of documentation, but and because formalized plans are beyond the capabilities of all municipalities in the state, well-documented efforts taking place outside of formalized plans are equally acceptable for this purpose.
- **Community Revitalization Strategy Area (CRSA)** shall mean the Project area for a Community Revitalization Strategy. The CRSA must be contained to an area that is **the smaller of the following two options**: (1) An area that is no larger than a three-mile radius from the subject property(ies), OR (2) An area (census tract(s), municipality, neighborhood/community area, etc.) with a population no greater than 30,000. IHDA Community Revitalization staff may approve a larger CRSA on an individual basis if sponsor provides documentation evidencing the need to define a larger area.
- **Affordable Housing** – For the purposes of Community Revitalization Strategy Section IX C. ii) b. and c. only, the term “Affordable Housing” is defined by one of the following criteria:
  - Rent restricted rental units (legally restricted via use of programs such as Low-Income Housing Tax Credits, HOME, Illinois Affordable Housing Trust Funds, etc.) where rent is restricted to levels affordable to households earning under 30%, 50%, 60%, or 80% of the Area Median Income;
  - Rent subsidized rental units (examples of rental subsidies are Project Based Rental Assistance, Project Based Vouchers, Housing Choice Vouchers, Section 811, and Rental Housing Support Program);
  - Affordable homeownership programs, including the use of subsidized mortgage credit certificates, mortgage revenue bonds, or down payment assistance that are limited to households earning less than 120% of Area Median Income.
- **BIPOC** shall mean “Black, Indigenous, or Person(s) of Color”
- **Subject Property(ies)** shall mean the property or properties where Affordable Housing activity proposed by the LIHTC application will be located.
