Established in 1967, IHDA connects people with financing programs for their homes. Some say we're a bank with a public mission — to finance the creation and preservation of affordable housing in Illinois. IHDA has provided more than \$29 billion to finance 335,750 homes and apartments for low- and middle-income households across our state.

IHDA does not discriminate, and will not tolerate discrimination, on the basis of race, color, national origin, ethnic origin, sex, sexual orientation, age, or disability as those terms are defined under applicable law.
