### SUMMARY:

IHDA's Asset Management Department is pleased to invite you to our upcoming Owner & Agent Training in Chicago, a complimentary, in-person learning experience designed to strengthen affordable housing operations across Illinois.

Building on the strong success of our Springfield training last year, which brought together more than 100 owners, agents, and partners for hands-on learning and peer exchange, we are excited to continue the momentum with our next convening in Chicago. This training will expand on that foundation with updated content, practical tools, and deeper collaboration opportunities to help teams navigate today's evolving compliance and operational landscape.

### Save the Date:

- Tuesday, March 24, 2026
- Wednesday, March 25, 2026

Additional details, including venue location, registration and hotel information, will be shared soon.

This is a training you don't want to miss—we can't wait to see you there!
