RE: Update on Owner & Agent Training Registration – Waitlist Information

SUMMARY:

IHDA's Asset Management Department is pleased to share a brief update regarding the upcoming **Owner & Agent Training in Chicago**.

Following the initial Management Bulletin #617, issued on Friday, March 6, we are excited to report that the training has generated strong interest from owners, agents, and industry partners across Illinois.

Due to this high level of engagement, **registration is at capacity**. Any individual or group who submitted a registration as of Tuesday, March 10, 2026, and who have not received registration confirmation, will be put on a waitlist for this training. We will provide an update to all waitlist participants by Monday, March 16, 2026, to confirm whether or not they will be able to attend the in-person training. If we receive cancellations and openings becomes available for this training, individuals on the waitlist will be contacted in the order in which requests were received.

For clarification, the training will take place:

Tuesday, March 24, - Wednesday, March 25, 2026.

For full event details, including the agenda, registration information, and training resources, please visit the Owners & Agent Training [webpage](#).

If you would like to be placed on the waitlist, please contact [IHDA's Asset Management Training Team](#).

Please note that because we are at capacity, we will not be able to honor any walk-in/day-of registrations.

IHDA is also actively exploring ways to expand access to the training since demand has exceeded venue capacity. We will follow up with additional information if alternative options become available.
