RE: Preservation Program 2.0 - IHDA Connect Application Portal Opens April 6, 2026

SUMMARY:

Important Reminder

The Preservation 2.0 application portal will open on April 6, 2026, and close on May 20, 2026. For more information, please visit the webpage [here](#).

IHDA Connect Access

Early verification of IHDA Connect access is strongly encouraged to avoid delays in submitting the application. To request an IHDA Connect account and/or PID, please visit: <https://ppa.ihda.org>.

Following [Management Bulletin #616](#) and the announcement of the Preservation Limited Rehabilitation Program 2.0 (Preservation 2.0), IHDA is reminding all prospective applicants of the importance of establishing and confirming access to **IHDA Connect** before the upcoming application portal opens. IHDA Connect is the required platform for submitting and managing Preservation 2.0 applications. To ensure a smooth application process, all development teams must have active accounts and Property Identification Numbers (PIDs) established before the portal opens.

Through this process, you may also designate members of your development team who require access to interact with the PID. Please allow up to three (3) business days to receive confirmation that your account and/or PID has been created. **If you do not receive confirmation within that timeframe, please contact:** IHDAconnecthelp@ihda.org.

For users with existing accounts who have forgotten their password, a self-service reset option is available at: <https://connect.ihda.org>.

Additional Resources

To support users in navigating the platform, IHDA has made available an [IHDA Connect How-To-Video](#) that provides step-by-step guidance on accessing and using the system.
