RE: REMINDER: Preservation 2.0 Application Portal Closes May 20, 2026

SUMMARY:

The Preservation 2.0 application portal will close on May 20, 2026. If you have not yet submitted your application, please do so as soon as possible. For more information, please visit the webpage [here](#).

IHDA Connect Access

If you have not yet confirmed access to IHDA Connect, please do so immediately to avoid any last-minute delays in submitting your application. Keep in mind that account and PID setup can take up to three (3) business days to process. To request an IHDA Connect account and/or PID, please visit: <https://ppa.ihda.org>.

All development teams must have active accounts and Property Identification Numbers (PIDs) in place before submitting. Through this process, you may also designate members of your development team who require access to interact with the PID.

If you do not receive confirmation of your account and/or PID within three (3) business days, please contact: IHDAconnecthelp@ihda.org.

For users with existing accounts who have forgotten their password, a self-service reset option is available at: <https://connect.ihda.org>.

Additional Resources

To support users in navigating the platform, IHDA has made available an [IHDA Connect How-To-Video](#) that provides step-by-step guidance on accessing and using the system.
