SUMMARY:

Following the issuance of [Management Bulletin #626](#), which announced the extension of the IHDA Preservation 2.0 application deadline, a third information session will be hosted on Friday, June 12, 2026 from 10:00 a.m. to 11:00 a.m. (CT). This session is designed to support applicants currently in the application process and interested parties, providing ongoing guidance and support through the application deadline.

As a reminder, the application portal deadline has been extended to July 13, 2026. This is a firm, one-time extension — no further extensions will be granted. A copy of the most recent [FAQs](#) is available for your review.

The session will address frequently asked questions, common application errors, IHDA Connect access and PID requirements, and include an open Q&A. Please use the following registration link to confirm your attendance: [Register here](#).
